

XVENTURE GEAR QUICK RELEASE HARD CASE MOUNT

Easily attach or remove
Go Rhino Hard Cases on
your vehicle in a matter of
seconds...

- Constructed from heavy duty 16-gauge steel for high strength
- Adjustable anti-rattle system for quiet operation in harsh off-road conditions
- User friendly Quick Release compression latches that are lockable
- Designed to work flawlessly with our 4-CORE Cross Bar system
- Can be easily mounted to virtually any flat surface
- Pairs perfectly with the XRS Overland Rack, CEROS Rack, and SRM Racks
- Mounts are specifically designed for each case resulting in a perfect fit
- Textured black powder coat finish
- Easy, no drill installation
- Backed by Go Rhino's Limited Lifetime warranty and 5-year finish warranty

*Hard cases sold separately
